COMPLAINANT PROCEDURE COMMUNICATION

COMPLAINANT PROCEDURE COMMUNICATION

PURPOSE OF THIS DOCUMENT

The organisation is an authorised Financial Services Provider, and as such we have certain specific duties towards you – our valued client. One of these duties is the establishment of a formal complaint management and resolution framework, which will enable you to exercise your rights as provided for in the Financial Advisory and Intermediary Services Act.

The purpose of this document is to inform you of the procedure which will be followed in order to provide a resolution for the complaint which you have submitted.

COMPLAINT MUST BE RELEVANT

In terms of the FAIS Act, a “complaint” means, a specific complaint relating to a financial service rendered by a financial services provider or representative to the complainant on or after the date of commencement of this Act, and in which complaint it is alleged that the provider or representative -

- has contravened or failed to comply with a provision of this Act and that as a result thereof the complainant has suffered or is likely to suffer financial prejudice or damage;
- has wilfully or negligently rendered a financial service to the complainant which has caused prejudice or damage to the complainant or which is likely to result in such prejudice or damage; or
- has treated the complainant unfairly;

The financial services environment is complex. We will endeavour to address all reasonable requests from our clients, but may also refer you to a more appropriate facility. Where the complaint relates to any aspect of our service, or any disclosures that ought to be made by us, we will endeavour to address those complaints in writing, within **7 (seven) working days**.

In instances where the complaint relates to any matter that is not within our control, such as product information or investment performance, we will forward the complaint to the product supplier concerned. Please be advised that we reserve the right to recover costs or damages that we may suffer as a result of clients making frivolous, vexatious or unreasonable claims.
